

4 Courses

Introduction to Applied  
Machine Learning

Machine Learning  
Algorithms: Supervised  
Learning Tip to Tail

Data for Machine Learning

Optimizing Machine  
Learning Performance

Sep 15, 2022

**gembali susmitha**

has successfully completed the online, non-credit Specialization

# Machine Learning: Algorithms in the Real World

This specialization is for professionals who have heard the buzz around machine learning and want to apply machine learning to data analysis and automation. Whether finance, medicine, engineering, business or other domains, this specialization will set you up to define, train, and maintain a successful machine learning application.

Anna Koop  
Senior Scientific Advisor  
Alberta Machine  
Intelligence Institute,  
University of Alberta

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
